Township park district sought

FIREMEN, HIGHER THAN "the flag on the Fourth of July," were up in the bucket seat on Sunday, Oct. 9, when "Fire Prevention Week" began with an open house at

Antioch's station. The Zion fire department sent its snorkel truck over to Antioch to give a performance. More pictures on pages 12 and 13.

Village program growing

Antioch township officials went on record last Thursday in support of the creation of a township park district.

This would mean that residents of the township would help the approximately 4,100 village residents bear the cost of the community's park and recreation program.

A referendum on the creation of the park district might be held next May, according to Clifton Houghton, chairman of the village park commission.

"IN LIEU of the referendum not passing," Houghton said, "we hope we can enter into some type of intergovernmental cooperation act which would enable both the village and township to levy recreational taxes."

Although the park program is now operated and funded by the village, township residents do pay more than village residents to use the Antioch outdoor swimming pool.

"Viking football and the Little League and minor league baseball programs are severely limited by lack of adequate fields," Houghton said.

"Four and a half years ago," he said, "the village

Zoning Board says no to condominium plan

A proposed 36-unit condominium complex near the corner of Harden and Main streets was rejected 4-1 last week by the Antioch Zoning Board of Appeals.

The board will recommend that the village turn down a rezoning request sought by Atty. Edward C. Jacobs on behalf of relatives.

The two-hour public hearing included a petition and verbal protests from a sizeable group of neighbors who said they wanted the area to remain "single family."

THEN, THE BOARD approved a zoning change at 573 Main St., north of downtown, so that Dorothy and Sven Anderson can construct a nine-unit apartment building.

The land is near the Joanna Court apartments. The zoning board will suggest that the village board allow the Andersons to construct the two-story, two-bedroom apartments.

In the motion to deny Jacobs' condominium plan near the Antioch High School, the zoning board motion said it

was "not in accordance with the village's comprehensive plan and would change the nature of the area, creating undue hardships on residents of the neighborhood."

AMONG THE COMMENTS from residents objecting to the rezoning were these:

Jean Irving of 341 Harden St.: "When cars are parked on Harden, getting out of our driveway is a nightmare as it is. The street is too narrow."

Ed Strang of 350 Harden: "I think you may have drainage problems if you add a condominium to the neighborhood."

Stuard Good, a member of the village planning commission: "The acceptance of this petition involves spot zoning, which is against our comprehensive plan."

Elaine Weitz of 338 Harden: "Everyone knows the problem we have getting in and out of there now. And I don't think it's fair to have a parking lot placed next to my property."

Mrs. Weitz and Laura Young, her neighbor, said they were worried about the 36 units resulting in water in their basements.

All about town ...

Ruth Burke of Antioch Travel Agency recently returned from a fantastic trip to Bermuda.

In order to give you first-hand knowledge, Ruth and several hundred other travel agents viewed Bermuda from the tourists' eyes. They shopped at all the unique shops, ate at various restaurants, visited hotels and even found time to lie on the beach. And their final conclusion was that a trip to the clean, friendly island is certainly worth every penny.

Ruth said it was one of the highlights of her life and strongly recommends everyone to travel there at least once. She guarantees you a trip filled with fun and adventure.

We'll remember your suggestion when it's freezing cold here, Ruth.

THIS MUST HAVE BEEN the time for traveling because Bernie Gunty Sr. just returned from Europe.

Bernie spent a week in Austria on an Oktoberfest engagement with Uncle Jess & The Stardusters, the band he plays with. Bernie said the trip was super and the scenery picturesque, but it sure is nice to be home with the family and back working at Bernie's Deli.

We hear that Uncle Jess & The Stardusters will be accompanying a tour group to Hawaii in March. We sure envy you, Bernie, and wish you talented musicians continued success.

IF YOU FOUND it a little inconvenient parking in the Antioch Shopping Plaza lot the last few days, you'll be glad to know the new blacktop should be completed either today or tomorrow. It sure is an improvement.

DID YOU NOTICE the attractive new sign outside "The World Famous Village Pub?" It sure looks great.

Lions to 'hit the bricks'

The Lions of Antioch practice what they preach. What they preach is help for the blind and visually handicapped. This help comes in many forms - volunteer efforts, helping a blind person find a job, collecting used eyeglasses, and raising funds to support many programs that directly benefit the blind and visually handicapped.

The fund-raising comes in the form of Lions "Candy Days" for the Blind, to be held Friday and Saturday on streetcorners and in shopping centers throughout the community.

ON THOSE DAYS Antioch Lions and friends will "give away" candy rolls, and residents usually respond generously with donations in those familiar-looking canisters carried by the men in the Lions hats.

Lion James N. O'Connor, district governor, helped get the campaign going by depositing his dollar with Antioch Lion Bill Barr, to support the statewide goal of \$1 million and three dollars.

THE LIONS OF ILLINOIS Foundation administers several programs for direct help to the blind and visually handicapped, financed by Candy Days; the mobile glaucoma screening unit, Camp Lions, eye donor registry, used eyeglasses collection, publishing of the Illinois Director of Services for the Visually Handicapped and a social services and referral program.

Candy Days money is also awarded in the form of grants to Hadley School for the Blind; Leader Dogs for the Blind; Dialogue with the Blind; the University of Illinois Department of Ophthalmology; and a low vision program at the Illinois College of Optometry.

How Communities Get Their Names

By JERRY PFARR

I had another speaking engagement last week. I am in great demand because of my tremendous sense of humor.

The group that asked me to entertain for whichever I preferred, a six pack of beer or a one-way trip to Philadelphia, heard a hilariously funny story. I must pass it along to you.

About the time I was thinking of purchasing the Antioch News, I also was considering a newspaper in Oconomowoc, Wis.

My doctor had taken a look at me and said:

"I figure you have about a year to live. Go to Oconomowoc, because it will seem so much longer."

So I checked out that community and learned this previously hidden slice of history.

THERE WERE two Indians living in the Antioch area, Broken Arrow and Standing Bull, and in 1836 when they saw our first settlers, the Gage brothers, Broken Arrow shrugged his shoulders and said:

"There goes the neighborhood."

So the two Indians decided to head for the suburbs of Wisconsin. They hiked and hiked and hiked, for a day and a night, until finally Standing Bull turned to Broken Arrow and said:

"I can no more walk." Of course, the way the Indians talked in those days, it came out as "Oconomowoc," and that's how Wisconsin city got its name.

What's that? You don't think

the story is hilarious?

WELL, IT'S better than the one I heard about DePere, Wis., a city just outside of Green Bay.

The story goes that in 1673 explorers Jacques Marquette and Louis Jolliet were paddling their canoe down Wisconsin's Fox River. Jolliet had consumed a little too much French wine and fell out of the canoe. Returning to the surface of the

water, he looked up at Marquette and said:

"It's deep here."

WE ARE now looking for the explanation of why Antioch is called Antioch.

It obviously was named after that ancient city in Asia Minor, 25 miles from the Mediterranean Sea.

Maybe our early settlers thought Lake Michigan was the Mediterranean.

The Town Crier

What's in a Name?

The Irish Setter named Shannon ... that one figures.

We're not sure, but we presume "Ali" is named for the heavyweight boxing champion. There's also a little dachshund in Antioch known as Cuddles and, since dachshunds are a breed of German origin, it's only natural that Ward Lear's pet would be called Leibschen, which is German for "Sweetheart."

Chris Evans, who came here from Germany, calls her German shepherd "Himmel," which means heaven.

Cider Gutowski already has received some publicity in the

Antioch News and so has another dog.

We told this story a couple years ago. A lady took her new puppy to the vet for shots and was asked:

"What's the dog's name?" "We didn't want to rush into it," she answered, "So we thought we'd think about it for a few days and name the dog Sunday."

"Well, why don't you?" asked the vet.

So that's how Sunday (or Sundae, if you prefer) got her name.

BRANDY is a fine name for a dog, and maybe that's why Antioch has at least three of them. A lot of us, when we're lost, are hoping a St. Bernard will show up with a small keg of brandy around its neck.

But the Antioch person who named the family dog "Six Pack" must have had a different kind of thirst in mind.

Cronin (right) greets Albert Palucci, superintendent of Grass Lake school district 36 in Antioch at the workshop for new Illinois district superintendents, held in Springfield. Township asked to help parks

appointed a citizens advisory committee to study a park commission. Our program has now expanded to the extent that we have a \$72,000 a year budget."

"More than half of our participants come from the township," Houghton said. "Until now we haven't asked the township for money."

"Financial institutions and service clubs have provided equipment," he said. "We've had to operate on donations in order to grow."

JIM FIELDS, township supervisor, said:

"I think the township should be represented on the park board."

Homer LaPlant, township trustee, said:

"I think it's a good thing. We should work for passage of the referendum."

Houghton said some of

the advantages of a township park district would be federal grants for park space and equipment.

"Right now," he said, "the village park program can't grow because we can't afford it. Yet, there is a demand for more services. We're continually asked to do more but we

need to find the resources."

Blaine Ring, township highway commissioner, said he agreed that a referendum is the answer.

"Tonight," said Houghton, "we're looking for some support. I'm asking your feelings. I would hope later for active support if you're so inclined."

The Antioch grade school district has received full recognition from the state board of education.

The announcement was made by Gail Heath, school board president, after last week's meeting at Oakland school.

The board will meet again next Tuesday, 7:30 p.m., at the Upper Grade School.

WORD OF the full recognition status was received from the state board and the Lake County regional superintendent of schools, Bill Thompson of Antioch.

"They said recognition is the result of many hours of discussion with the state board and the county superintendent," Mrs. Heath said. "Also, the resolving of differences between the board and Henry Meyer, superintendent of District 34."

MRS. HEATH said the differences stemmed from many problems over a long period of time, including allegations filed by Meyer with Thompson.

Meyer's allegations charged the board with "certain differences between his office and the school board members," the statement said.

With the help of the county superintendent's office, the state board of

education and the cooperation of Henry Meyer, the controversy has been amicably settled, Mrs. Heath said.

"THE BOARD of education and the superintendent are now working together for the best interests of providing a good education for all the children for the coming school term," she said. "No further comment will be made concerning the past problems between the superintendent and the board of education by the board, as a board, or by individual board members and Henry Meyer, the superintendent."

The statement was

signed by school board members and Mr. Meyer.

EARLIER, Thompson had indicated that the allegations by Meyer could mean the school's "state recognition" would be less than full, in other words "probation." This could have affected the receipt of some state funding, a school board member said.

Thompson, in fact, had recommended the district be put on probation because of the disharmony and said Meyer had charged the board with trying to usurp some of his administrative powers. He

said his visit to the district last June partially bore out the charges. However, he pointed out that the board was legally within its rights to make a settlement to break Meyer's contract.

ON AUG. 30, it was announced that Meyer would receive \$60,000 for one year's work in order to break off a three-year contract he had been given by the previous board. That was \$27,500 more than his \$32,500 salary for this year. The vote was 6-1 with board member Milo Bailey dissenting.

"The \$60,000 for one year's work was a cheap price to pay to keep a grade school district together," one school board member said.

Mr. Meyer, 56, is in his eighth year as superintendent of the grade school district. He will leave the job on June 30, 1978.

A search for a new superintendent reportedly is underway.

FRIDAY AND SATURDAY of this week have been proclaimed Lions Club "Candy Days" in Antioch. Mayor Michael J. High School gets 'full recognition'

The Antioch High School board of education has changed its meeting dates for November and December from the 4th Thursday to the 3rd Thursday.

Superintendent Warren P. Polley reported that the Illinois Office of Education visitation was conducted in September. A report from the agency should be forthcoming in about 30 days, he said.

The school was given "full recognition" for the current school year.

The board approved a 1977-78 budget of \$4,495,240 which includes purchase of land and possible life safety work expenditures.

The operation budget increased by approximately \$350,000 or 10 percent over 1976-77.

"The increase represents escalation costs in salaries, utilities, and unemployment insurance," Mr. Polley said.

The replacement of the steam cooker in the cafeteria was approved at a cost of \$5,551. The low bidder was the Edward Don Company.

Due to increased enrollment an additional physical education teaching station will be created through the purchase and installation of a divider curtain and four additional basketball backstops and supports. The low bidder for the backstops is Porter Company in the amount of \$6,900 and the divider curtain low bid was Art Draperies for \$5,740.

The board approved a policy on corporal punishment for the district.

Principal Arthur E. Blecke reported the student council has finalized plans for a concert featuring "Freewheelin'" on Wednesday, Oct. 26, 7:30 p.m. for the students of the district.

Harry Robin gets second endorsement

The Grant Township Republican Club has unanimously voted to support Harry G. Robin for the nomination for sheriff of Lake County in the March, 1978, primary, pending the club's annual endorsement meeting.

"The action was taken to show support for Robin's candidacy," club officers said.

In September, Robin's candidacy for sheriff was endorsed by the Antioch Township Republican Club and also by the Antioch Township Republican precinct committeemen.

The Grant Township committeemen will hold a smorgasbord Saturday, Oct. 15 at the American Legion Hall, Rt. 12, Fox Lake. Serving time is 5 to 8 p.m.

Bob was selected because of his active work in last year's workshop. He will be attending the all-day workshop with a high school driver education instructor and three other driver education students.

A 'once a year time'...the Homecoming parade

THE QUEEN of Antioch High's Homecoming festivities, elected by her fellow students, was Ricci Janka. A very popular choice.

FRESHMEN CAN BUILD neat floats, too. Parade watchers and the judges agreed last

Saturday after seeing this creation.

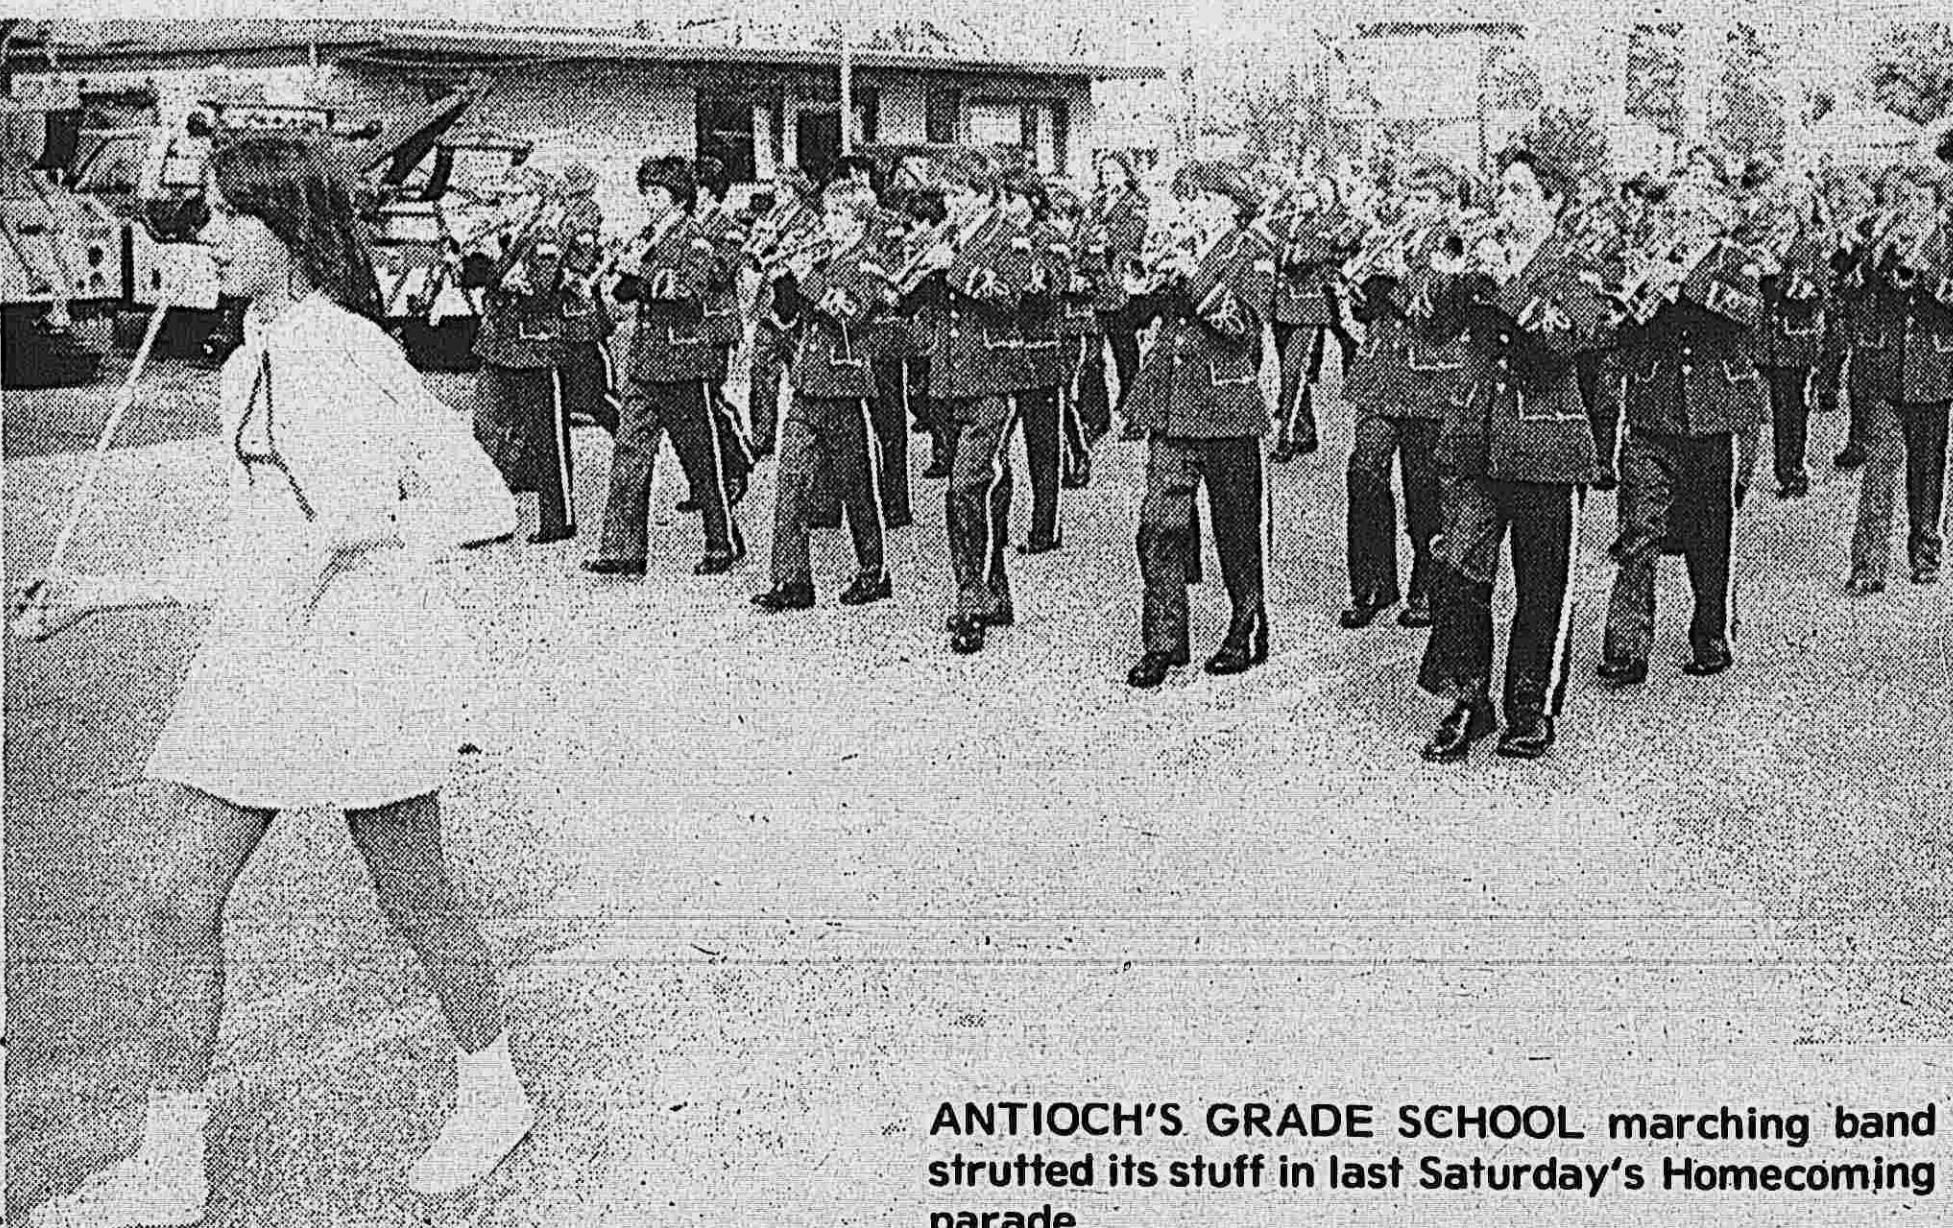

ANTIOCH HIGH'S VARSITY CHEERLEADERS added spirit and pulchritude to Saturday's parade through the downtown area.

THE TWO SENIORS who served as the court of honor in the Antioch High School Homecoming royalty last weekend were Jeanie Tague (left) and Lori Carrubba. Driving the car was Brian Andrews, varsity quarterback until he was sidelined by a shoulder injury.

REPRESENTING THEIR CLASSES as Antioch high School Homecoming Queen attendants were (from left) Gail Koss, freshman; Jeanie Cilik, sophomore, and Debbie Mondrowski, junior.

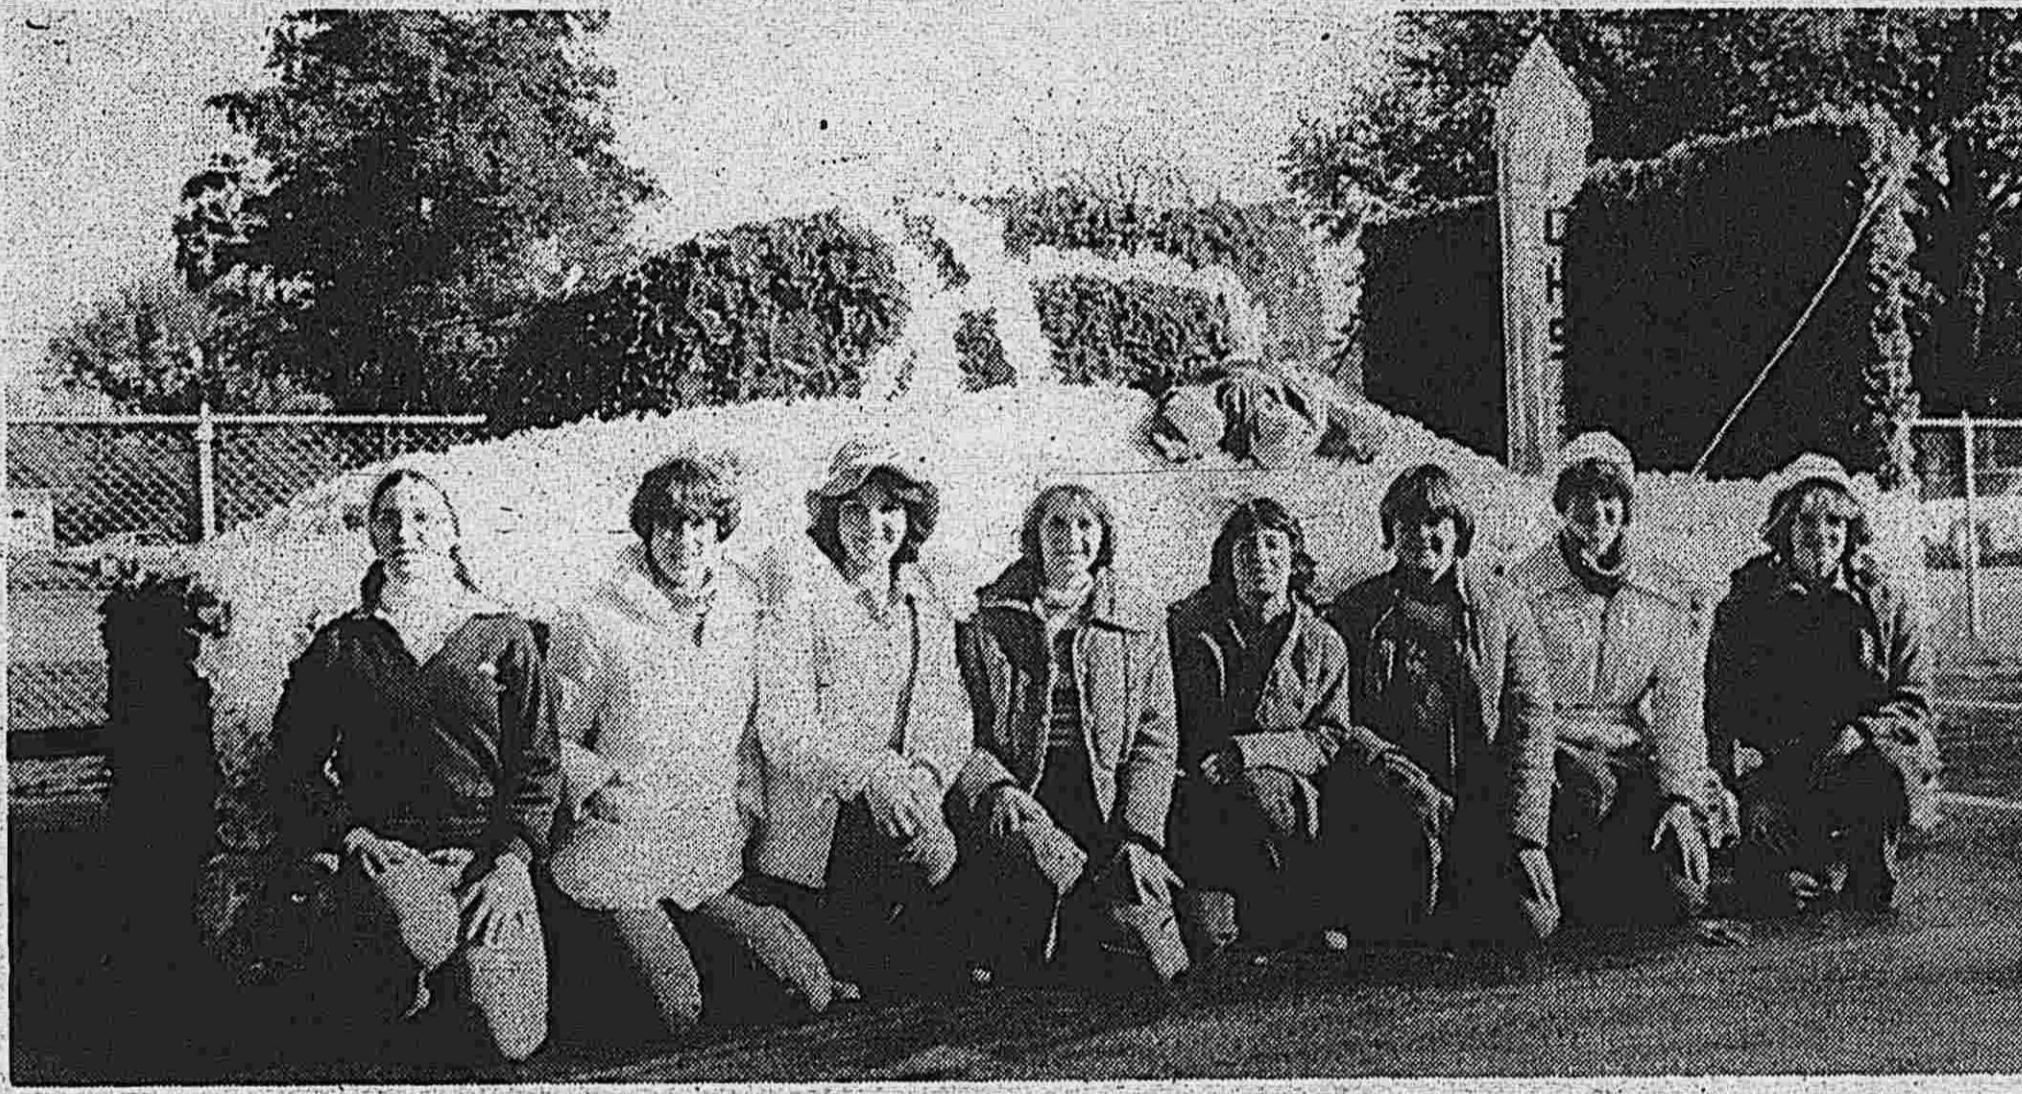

ANTIOCH'S GRADE SCHOOL marching band strutted its stuff in last Saturday's Homecoming parade.

ANTIOCH'S VIKING FOOTBALL program continues to grow ... and proudly shows its

class and "strength in numbers" during the high school Homecoming parade.

EIGHT OF THE SOPHOMORES who helped build their class float for the Homecoming parade smile for the camera. (That's a shoe atop the white bed of flowers, but we couldn't talk any of the girls into climbing inside of it.)

THEME CONTEST WINNER for Antioch High School's 1977 Homecoming was Beth McLellan, shown receiving a \$50 "Series E" bond from Glenn Hendrickson, representing the State Bank of Antioch which annually sponsors the contest. Beth's winning theme,

adopted for Homecoming week, was "2001 Sequoia Odyssey." Above, she stands by the senior class float which won first prize in the parade. Beth helped build the float. She also is a member of the band's flag corps.

Band Parents group grows

By BONNIE BORLA

There were a lot of new faces at the Oct. 4 meeting of the Antioch Grade School Band Parents Association.

Association leaders said they are glad to see more parents taking an interest in the band program. Parents of band students wishing to join can become members for \$1 a year.

At the recent meeting the band parents approved buying a french horn, baritone and a bass drum. The instruments were needed to get the bands ready for a new year.

THE BAND PROGRAM is growing. There are approximately 110 new band members in "Beginning Band" this year.

"We hope the new band students will practice and won't get discouraged. All the squeaks, squawks and wrong notes will someday turn into beautiful music for you, your family and friends to enjoy," the directors said.

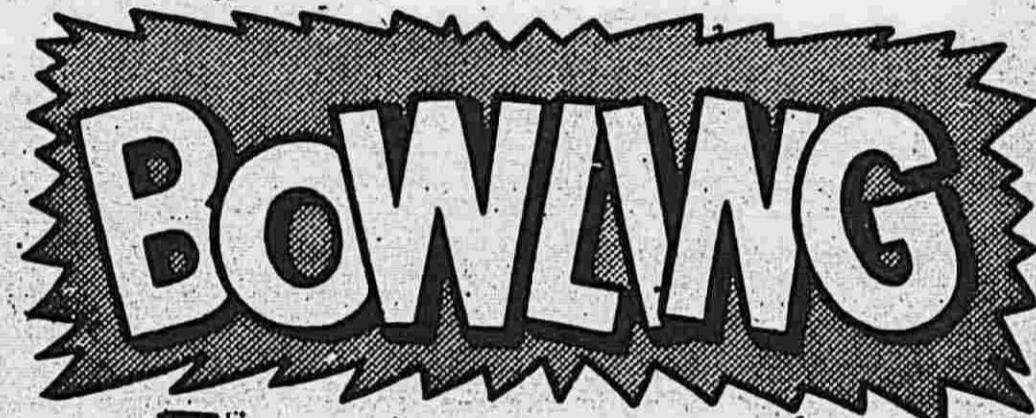

Plans for a "fun fair" got underway this month. The Halloween fair will be at the Antioch Upper Grade School Sunday, Oct. 30, from 1 till 6 p.m.

There will be games, magic shows by "Tom the Magician," cake walks, costume contests, a plant sale and refreshments.

Pre-school children, school children and adults can show off their costumes and perhaps win a prize.

There will be free babysitting at the "fun fair," provided by the Cadet Girl Scout Troop of Antioch.

"We need parents to help at the fair. Also needed are parents to donate cakes for the cake walk and plant slips for the plant sale. Those wishing to do so, please contact Elsie Quedenfeld or me," said Mary Fries.

**FIRE PREVENTION
MEANS FIRE
PROTECTION!**

ANTIOCH FIRE FIGHTERS entertained the informed residents Sunday when "Fire Prevention Week" began here. Demonstrations included hook-ups from hydrants as performed in battling actual fires. At right is fireman Chuck Balmes.

Today, as never before, firemen need your help.

The fireman of today is better equipped, better trained, more professional and dedicated than ever before. But he needs your help. The prevention of fire is not just the responsibility of firemen—it is the duty of every person in the community. Fire prevention is your responsibility.

You can help. How? Start by eliminating fire hazards in your home and by preparing your family for a fire emergency. Know how to get out of a burning home quickly and safely. Know how to call your fire department.

Visit your local fire station. Your firemen will gladly help you devise a fire prevention plan for your home. They'll help you look for, and eliminate, home fire hazards. Get to know the men whose profession is protecting your family from the danger of fire.

You'll sleep better each night with the knowledge that you have taken all possible measures to eliminate the danger of fire in your home. And if fire should strike—and you know what to do—you may spare your family the tragedy too often experienced by others as a result of fire.

Your firemen are on the alert around the clock waiting for your emergency call—but they want to help prevent a fire from ever occurring at your home. With your support, they can.

SOME OF THE ROLICKING humor that delighted the audience when "See How They Run" opened here last Saturday was provided by Steve Woolaway (left) and Aileen Biel. The comedy returns to the PM&L stage Friday and Saturday at 8:30 each evening.

If you're ever in a French, Spanish or Italian speaking country don't turn on the faucet marked "C" to get cold water. It stands for the French *chaud*, the Spanish *caliente*, the Italian *caldo* — all meaning hot.

'Doubting Thomas' is cured by PM&L comedy

By JERRY PFARR

I hate to admit this, but PM&L Theatre surprised me somewhat last Saturday night.

Although I have thoroughly enjoyed most of the PM&L productions of recent years, I was under the mistaken impression that the comedy "See How They Run" wasn't going to be that great.

But it was hilarious ... a really funny evening. Will the cast, director Pamela Hunley and the others responsible for this success please forgive me now?

YOU SEE, I HADN'T realized "See How They Run" was so packed with humorous lines and situation. But now I agree with New York critic Bernard W. Suss, who said:

"It was a positive riot. In all my years in the theatre, I've never heard such laughter. The audience didn't just laugh, they screamed and howled."

The plot involves Penelope Toupe (Pam Guardi) an American actress who is having great difficulties being a proper vicar's wife; The Rev. Lionel Toupe (Steve

Woolaway) an earnest, sincere vicar who has great difficulties with his actress wife and his parishioner Miss Skillon (Aileen Biel); and an American actor, Corporal Clive Winton (Bill Sershon) who is stationed in England and used to act with Penelope.

HERE I GO AGAIN, apologizing, but I hadn't realized Pam Guardi was such a polished actress, nor that Bill Sershon was also excellent on the stage.

(I had known that Aileen Biel and Charlie Brown, who plays the Rev. Arthur Humphrey, could be very funny. And they were extremely so.)

You'll like the others in the cast, too. The show starts at 8:30 p.m. on Friday and again on Saturday. Then it closes its run Oct. 21-22.

Reservations can be made by calling 395-3055.

We're going back this weekend, so we'll tell you more about it next Wednesday. Until then, you should be there too this weekend.

PM&L has a magic formula for success. I'll never doubt that again.

Nov. 5-6 are dates of Holiday Bazaar

At the Oct. 4 meeting of St. Peter's Women's Club it was revealed that several handmade items have been donated for the club's Holiday Bazaar, scheduled Nov. 5-6 in Frawley Hall.

Among them are two afghans, one made by Women's Club president Jerry Dost, and an embroidered picture of a winter scene done by Loretta Schiffmann. There will also be a pine cone wreath made by Ann Kelly.

ITEMS TO BE SOLD at the bazaar should be brought to the Nov. 1st meeting or dropped off at the rectory before Nov. 3.

A meeting will be held on Tuesday, Oct. 18, at 7 p.m. in Frawley Hall for persons making items for the bazaar.

"Please attend this meeting so we can get some idea of what items you are making and how many," Mrs. Dost said.

The program that followed the Oct. 4 meeting included a

film, "Pulse of Life," was shown by Dan Dugenske of the Antioch Rescue Squad.

The film demonstrated the process of cardiopulmonary resuscitation.

"IT IS A FILM that should be seen by everyone in the community, both school age and adult," Dugenske explained. "You never know when you might be the only one around to help in those few crucial minutes before the rescue squad can reach a victim of cardiac arrest, drowning or accident."

Dugenske and other members of the rescue squad are available to any group of 15 or more who would like to view the film and learn "CPR" techniques.

"It takes about six to eight hours of your time to learn these techniques, usually divided into two sessions, but that small investment of time could mean the saving of a life sometime in the future," Dugenske said.

He said the rescue squad has about a 40 percent success record in saving the lives of people who have stopped breathing for one reason or another. More often than not, lives are lost because nobody was there who could administer "CPR" in those first crucial minutes before the rescue squad arrives, he said.

If you wish to learn "CPR" techniques, contact Dugenske at 395-4000, or any other member of the rescue squad.

HAPPENINGS

There will be a special meeting of the board of education of Antioch Community High School, District 117, on Thursday in the board room, 7:30 p.m.

"The purpose of the meeting is to review the 'Life-Safety Survey' report," said Robert M. Lindblad, president of the board of education.

THE TIME is at hand to enroll in a defensive driving course that might save your life.

The program, sponsored by the Lake County Farm Bureau women's committee and conducted by Country Companies Insurance, is aimed at traffic accident prevention.

The course offers every licensed motorist a standardized method for improving his driving ability. It will also help you pass your driver license examination.

Instructors for the eight-hour classroom type program are Country Companies personnel who have been specially trained by the National Safety Council. The defensive driving course includes movies, visual aids, lecture and

discussion methods.

The course begins Saturday, Oct. 22. You can enroll

by contacting the Lake County Farm Bureau office, phone 223-6506.

Along the way with ANNIE MAE

OUR SPORTSWRITER thinks he's cute every year when he writes about the football game between Antioch's Sequoits and Dundee's Cardunals. Then he adds: "They don't know how to spell in Dundee, but they're pretty good at football."

Well! A lady called to inform us that there's a reason Dundee calls its team Cardunals instead of Cardinals. Get this: The CAR stands for Carpenterville, the DUN for Dundee and the AL for Algonquin. See, it makes sense.

Our sportswriter just read this over my shoulder and shouted:

"Boy, is that a stupid way to come up with a nickname for a football team!"

A VERY SPECIAL OCCASION ... today, Oct. 12, is the 50th wedding anniversary of Mr. and Mrs. Henry Rentner of 223 Bridgewood Drive.

Their son and daughter, eight grandchildren and three great-grandchildren are mighty proud, to say the least, of the Rentners golden day.

I hear one of our former longtime residents of Antioch, Pete Matteoni, is at home convalescing after suffering a mild stroke. I'm sure Pete would enjoy hearing from any of his many friends. His address is Route 2, Box 109, Neshkoro, Wis. 54960.

If you want to see me at my best, you'll have to visit the Cooperative Adult Evening School.

I've decided to take the 15-week course in belly dancing. According to the course description:

"This ancient art form offers the opportunity to learn to relax and get some exercise." (I'm as good at relaxing as

any person alive, but I don't get much exercise.)

Also, the announcement says: "Wear comfortable clothes and bring your sense of humor." I just hope my classmates bring their senses of humor.

HAPPENINGS

The Antioch Rainbow Girls will have their official visit of Kathy Hillard, Grand Worthy Advisor in Illinois, on Saturday, Oct. 15, at 1 p.m.

It will be held at the Masonic Temple, 885 Main St., Antioch.

After the meeting, a reception will be for Lori Burns, who is grand representative to New Mexico. The meeting is open to the public.

The Richmond Garden Club will have their third annual house walk, arts, crafts and bake sale on

Oct. 19 from 10 a.m. to 3 p.m.

The community church hall will be the starting point for the walk. The walk includes four homes which are French Provincial, Connecticut Salt Box and Californian contemporary.

The church hall, which is on Broadway, one block west of Rt. 12, will have the arts, crafts and bake sale. Donation \$2.50.

SCORPIO [October 23-November 21] - You can accomplish more by working quietly behind the scenes than in other capacities. Some plans may be temporarily interrupted but don't be discouraged.

SAGGITARIUS [November 22-December 20] - A splendid week for putting things into motion. Others may view your activities as somewhat unconventional but continue with good ideas.

CAPRICORN [December 21-January 20] - Plan for a more demanding week; work out the details early. Rise above personal differences you may have with superiors. You're called upon to assume the leading role soon.

Tennis team scores three 3-2 wins

Antioch's girls tennis team had four recent meets.

Antioch lost to Jacobs 4-1 then traveled to Grant for a conference meet and won 3-2.

The following evening Lake Zurich came to Antioch. Antioch won again 3-2. Thursday Antioch upset Woodstock for the third consecutive 3-2 victory.

The varsity's record is now 7-3 overall and 3-1 in the conference. The consistent effort of Jenny Behne at third singles has secured Antioch's victories. Jenny beat previously undefeated Marie Meyer of Woodstock 6-3, 4-6, 6-4.

Ron Halpern, Antioch's coach, said he is delighted with the improvement of the girls since the opening of the season.

"The girls' willingness to learn and their competitive attitudes have made up for our lack of experience," he said.

In Antioch's win over Grant, Kathy Sterbenz and Jenny Behne scored victories. Karla Herbst won against Lake Zurich, as did Kathy and Jenny.

HAPPENINGS

A "Last Chance Fun Shoot" will be held Sunday, Oct. 23, at the Northern Illinois Conservation Club trapshoot range.

The board of directors and 600 members of the club said they wish to express their appreciation to the following merchants for their support of this fund raising project:

First National Bank of Antioch, Teresi Chevrolet, Rittenhouse & Embree, Antioch Savings & Loan, Lyons & Ryan Ford, Pederson Bros. Implement, Foremost Liquor, State

Bank of Antioch, Triple A Reloading and Kodiak Gun Sales.

THE FIRST meeting of the "Parents and Teachers For Kids" organization will be held at Oakland Grade School Thursday at 7:30 p.m.

The meeting will be "Back to School Night" for Oakland parents with classroom visitation.

Anyone wishing to join the "PTFK" may do so at the meeting for \$1 per family. Coffee and punch will be served.

Sequoit sophs lead league

Antioch's sophomore football team celebrated Homecoming with a 22-14 victory over Stevenson's Patriots on Saturday.

The game was a battle for sole possession of first place in the conference's North Division, with Stevenson and Antioch both unbeaten in conference play.

The win gives the Sequoits a one-game advantage with conference games against Round Lake and Grayslake still remaining on the sophomore schedule.

THE SEQUOITS WERE ABLE to move the ball early against Stevenson but were unable to sustain a drive for a score. The first quarter ended scoreless.

Early in the second frame, Antioch took possession on its 43 yard line. The running of Denis Flaschner, Mitch Case and Mike Fox (combined with a Dan Behne pass reception) moved the Sequoits to the Stevenson 23 yard line.

A Jim Sertic to Tom Tudor 23-yard T.D. pass gave the Sequoits a 6-0 lead. The 2-point conversion run was good.

The next offensive possession saw the Sequoits back to work with a 54 yard, 15 play scoring drive. Flaschner scored from one yard out. Behne's PAT kick was good, and the Sequoits enjoyed a 15-0 halftime lead.

DEFENSIVELY, THE SEQUOITS controlled the first half of the game. The Patriots were allowed two first downs and only 35 yards total offense by the spirited Antioch defense during the first two quarters.

Cuck Bogaerts, Fox, Flaschner, Jeff Crichton, Scott Peterson, Tim Webb, Jim Mancuso, Greg Bies, Behne, Tim Plett, Tim Ernstmeyer, Brian Beal and Jim Davis all were cited by Coach Steve Wagon as part of the gang-tackling Antioch defensive unit.

THE THIRD QUARTER was scoreless, with the Patriots launching what was to be a 14 play, 89 yard scoring drive.

After the Stevenson score, Antioch was still unable to move offensively and was forced to punt. A short punt gave the Patriots possession on the Antioch 32 yard line. Bies and Beal teamed up for the defensive play of the game. Bies pass rush and "hit" on the Stevenson quarterback caused an errant pass to go to Beal. The Sequoit defensive tackle gathered in the ball and ran 49 yards before being hauled down on the Stevenson 20.

The Sequoits were unable to capitalize, but Greg Stevens added an insurance score later in the game to ice the victory. The final score for Stevenson came with seconds remaining in the game.

Soph standings: Antioch, 3-0; Stevenson, 2-1; Round Lake, 1-2; Grayslake, 1-2; Grant, 1-2; Warren, 1-2.

The sophomore Sequoits travel to hard-hitting Round Lake to attend the Panther Homecoming festivities Saturday at 12 noon.

Marszalek advances toward tour

Chris Marszalek, the young Arlington Heights golfer who lived in Antioch this summer, has qualified for a Professional Golfers Association regional tournament to be played in Louisiana Oct. 18-21.

Marszalek, who won the second annual Antioch Open in September, qualified in the Illinois sectional meet in Chicago with a 36-hole score of 150.

He and another 149 players who are trying to qualify for the pro tour will play 72 holes in Greta, La. Then, 36 will advance to Pinehurst, N.C. where they will be in a field of 144

exempt players. A 72-hole tourney Nov. 9-12 on Pinehurst's No. 4 course will qualify just 20 players for their PGA tour cards.

Doug Sherman, golf coach at the College of Lake County who has worked with Marszalek, said:

"Marszalek has excellent potential. He had the best swing of anybody I ever had. And Chris is playing the best now. He just has a super swing and excellent tempo."

Lightweights

The Antioch Viking Lightweights had to come on strong in an overtime to beat Rolling Meadows 12-6 Sunday and increase their season record to 4 wins and 1 loss.

Antioch came out full strength in the second half with good running by Andy Lehn and Bob Thain. On a handoff Dave Walsh went in for 8 yards and the first Viking T.D., tying the score 6-6.

John Humphreys intercepted a pass and advanced the ball well into Rolling Meadows territory. However, Antioch ran out of time and couldn't score.

The game went into sudden death overtime to resolve the 6-6 tie. Antioch won the toss, taking possession on the visitors' 10. On fourth down and one yard to go, Thain scored on a surprise counterplay.

Rolling Meadows then took its turn with four plays from the 10, but the Antioch defensive unit, with a key

Sequoits see chance for win Saturday

Antioch's Sequoits will play a 2 p.m. varsity football game at Round Lake Saturday, their sixth appearance of the season.

And it will be one of Antioch's best chances for a victory.

The Sequoits, who started the campaign against a lot of rugged opposition, now have a 1-4 record. Round Lake's Panthers are 0-5 after losing to Grayslake 13-0 last Saturday.

THE PLAYERS WILL BE hitting hard but the coaches will be waving and smiling to each other. Round Lake is now coached by Bruce Bartosz, formerly of Antioch, who says he hates to beat his old pals, Roy Nelson, Ted DeRousse and Tom Baba.

"But I'll do my best anyway," Bartosz smiled.

Antioch's Homecoming was spoiled a bit last Saturday by icy, windy weather and a 20-7 loss to Stevenson's Patriots.

Stevenson remained in a tie for the lead in the Northwest Suburban Conference North Division.

The Patriots are 3-0 in the division, 4-1 overall while the Sequoits drop to 0-3 in the league.

STEVENSON WILL HAVE a showdown at home for first place in the North Division Saturday against Grant, also 3-0. The Bulldogs handed Warren its first loss Friday night, 12-0.

Todd Schmitke scored two touchdowns, rushed for 78 yards in 10 carries and caught two passes for 42 yards against Antioch.

Stevenson rushed for 203 yards for a total of 296 yards in total offense.

First downs were near even, nine for Antioch and 10 for the Patriots, but the Sequoits had just 194 yards in total offense, 105 in the air as Rob Nauman showed more ability to move the ball with his passing.

Nauman completed seven passes, his longest for 29 yards to Gene Lehn. Tim Huebner caught three of Rob's tosses.

Lehn, a junior like Nauman, led Antioch's ball carriers with 48 yards in 13 charges at the Stevenson defense. Kenn Rosenbrock gained 34 yards in seven thrusts.

THE ANTIQUE VARSITY, playing before a freezing but huge Homecoming crowd lost a conference game to the Stevenson Patriots, 20-7, last Saturday.

Antioch controlled the first half of play, recovering three of four Stevenson fumbles. Antioch achieved field position on a fumble recovery by senior Mike Harr on the 46 yard line of Antioch.

Antioch's offense then drove the ball down to the Stevenson 2-yard line on carries by senior Kenn Rosenbrock, junior Gene Lehn, a pass completion by junior Scott Schroeder and a 29-yard screen pass to Lehn.

THE DRIVE STALLED at the 2-yard line, but Antioch maintained field position. Four plays later Stevenson was forced to punt from its own 8-yard line. The punt was downed at the 42-yard line of Stevenson.

Antioch's second drive of the game, which culminated in a touchdown, included successful carries by Lehn and Rosenbrock and a 19-yard pass completion from junior quarterback Rob Nauman to senior Tim Huebner for 19 yards. The touchdown was made by Nauman on a one-yard quarterback sneak. The kick for the extra point

was made good by senior Al Moore.

Antioch's defense held Stevenson to 12 yards total offense in the first half. This success was also highlighted by fumble recoveries by senior Tom Huebner and junior linebacker Greg Bodin. The first half ended: Antioch 7, Stevenson 0.

JUST AS ANTIQUE controlled the first half, Stevenson controlled the second and scored three times.

Stevenson's first score was on a 47-yard drive which took five plays. The large gainer was a pass from Ken Kriske to Bill Schade which covered 38 yards. The touchdown was scored by Todd Schmitke, from six yards out. The extra point kick was good and tied the score at 7-7.

On the next kickoff Antioch fumbled and Stevenson recovered on the Antioch 20.

Eleven plays later quarterback Kriske scored from the one-yard line on a plunge.

The extra point kick was good and the score was Stevenson 14, Antioch 7.

WITH FIVE MINUTES remaining Stevenson intercepted an Antioch pass and marched to the final score.

The game ended Stevenson 20, Antioch 7.

5 predicted Stevenson's 13-point win

Antioch High's football team didn't suspect it was going to lose 20-7 to Stevenson here last Saturday, especially after the Sequoits led 7-0 at the half.

But no less than five fans had an inkling of what was to come. They picked Stevenson over Antioch by 13 points, the exact point spread, in the weekly Antioch News football contest.

The experts were Chris Willems, Randy Mowen, Brad Herbst, Kathy Toft, Diane Mullin.

SO THE TIEBREAKER once again had to be used to determine the prize winners. As you know, the Chicago Bears stunned the Los Angeles Rams by one point.

Chris Willems predicted a six-point victory for the Bears and he will receive first prize in the contest: a check for \$15 from Pedersen Bros. Implement Company. We'll be sending it to Chris this week.

Randy Mowen and Brad Herbst tied for second by picking the Rams to win by 10 points. They will share the second and third prizes, a \$10 gift certificate from Gibbs and Jenssen's "Carousel" and a \$5 gift certificate from Bernie's Deli and Beer Depot.

Kathy Toft and Diane Mullin picked Los Angeles to beat the Bears, but that's okay ... we like Joe Namath, too.

ANOTHER CONTEST APPEARS in today's Antioch News. First prize is worth \$30 in gifts instead of the usual \$15 prize.

Be sure to enter before Antioch and Round Lake clash at 2 p.m. Saturday.

Antioch Invitational is colorful spectacle

The Antioch Invitational cross-country meet was held last Saturday at Fox River Park near Wilmot.

It was a bright crisp morning with the autumnal colors making a striking backdrop for the competing teams in their varied uniforms.

The first race was for girls. Twelve schools sent teams and Antioch earned fourth place with Carrie Corso finishing 10th, Cindy Irmen 13th, Diane Otten 16th, Nancy Harland 26th and Beth Pilkington 45th.

THE THREE OTHER RACES each had 17 teams participating. The Antioch freshmen took 10th place as Mike Wilms came in 44th, Darryl Sankey 50th and Mitch Kruczek, a newcomer to the team, 56th.

Sophomore Matt Firestone, Dave Mohar, Jon Gibson and Dave Waters gained 11th place for their team.

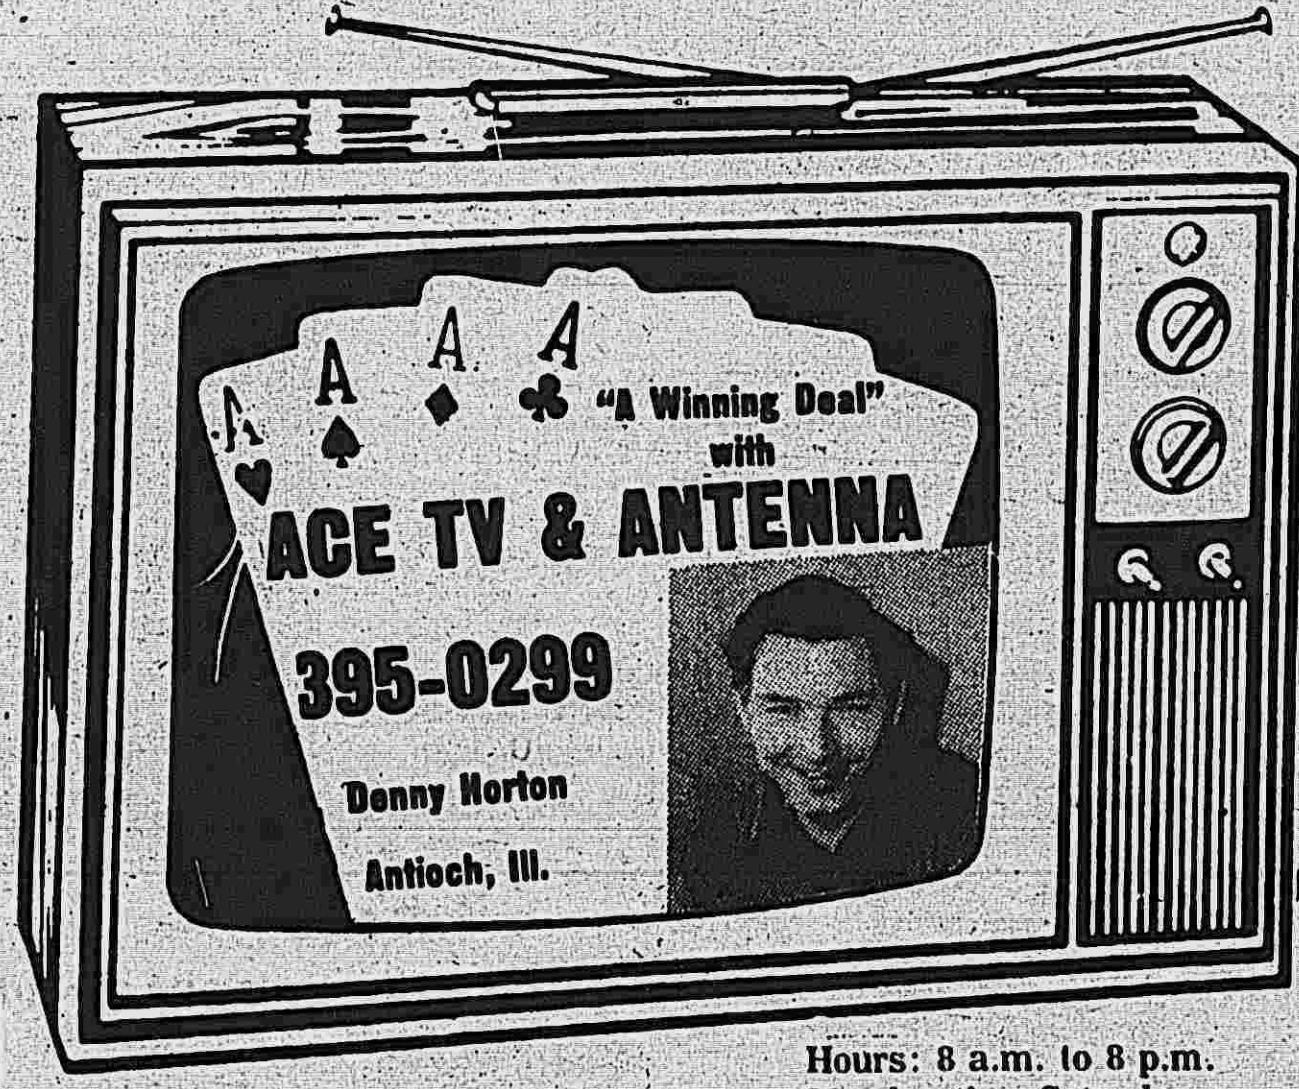

FOR THE VARSITY TEAM Jim Ellers came in 19th in a field of more than 100 runners. Zane Rogers was 56th, Roger Plechaty 66th and Jim Collis 75th. Other runners were Chuck Rogers, Edison Sankey and Tom Nedved.

Chuck Paulson of Warren, who ran for Antioch last year, took 6th place.

Final standings for the leading varsity teams were: Hersey 35 points, Libertyville 64, Crystal Lake 88 and Fremd 123.

917 shot in game 1 and 914 shot in game 2 are the new leaders in the high game category for the league.

Also, 232 bowled in game 1 and 230 in game 2 are the new high individual games in the league.

In Memoriam

In loving memory of our beloved son and brother Melvin (Butch) Wohlfeil who passed away 23 years ago, Oct. 14, 1954.

The years may wipe out many things,

But this they wipe out never.

The memory of those happy days

When we were all together.

Days of sadness still come o'er us,

Tears of silence often flow.

For memory keeps you ever near us,

Tho you died so long ago.

You and John are together now up on the lonely hill where God is watching over you both and giving you everlasting peace. But God, how we miss and love them both.

Lovingly remembered and deeply missed by Dad, Mom, and sisters, Elaine, Lois and Judy.

Condominiums rejected

Continued from page 1

Dan DeFosse of 333 Harden said: "It would destroy our property values. I think if less units were proposed nobody would complain. I also think it boils down to too much congestion and would be detrimental to the people now living in the area."

SIDING WITH JACOBS was Steven Miklautsch, who said many young Antioch people are being forced out of the community, some to Wisconsin, because of the price of property and homes here.

Jacobs said the plans called for an attractive development on about 2.3 acres of land.

"It's unrealistic to put a single family dwelling on that large a parcel," he said. "This unused and wasted land must be made productive."

Jacobs said he was trying to offer single people, young marrieds and teachers home ownership in the mid-\$30,000 range.

The condominiums would be two stories high with a full basement, he said. They would include a living room, dining room, kitchen and half bath downstairs, and two large bedrooms, two large closets and a full bath upstairs.

He said the buildings would have attractive facades, green space and an area for tennis courts. The address would be 332 Harden St. and the entrance and exit would be on Harden, not on Main.

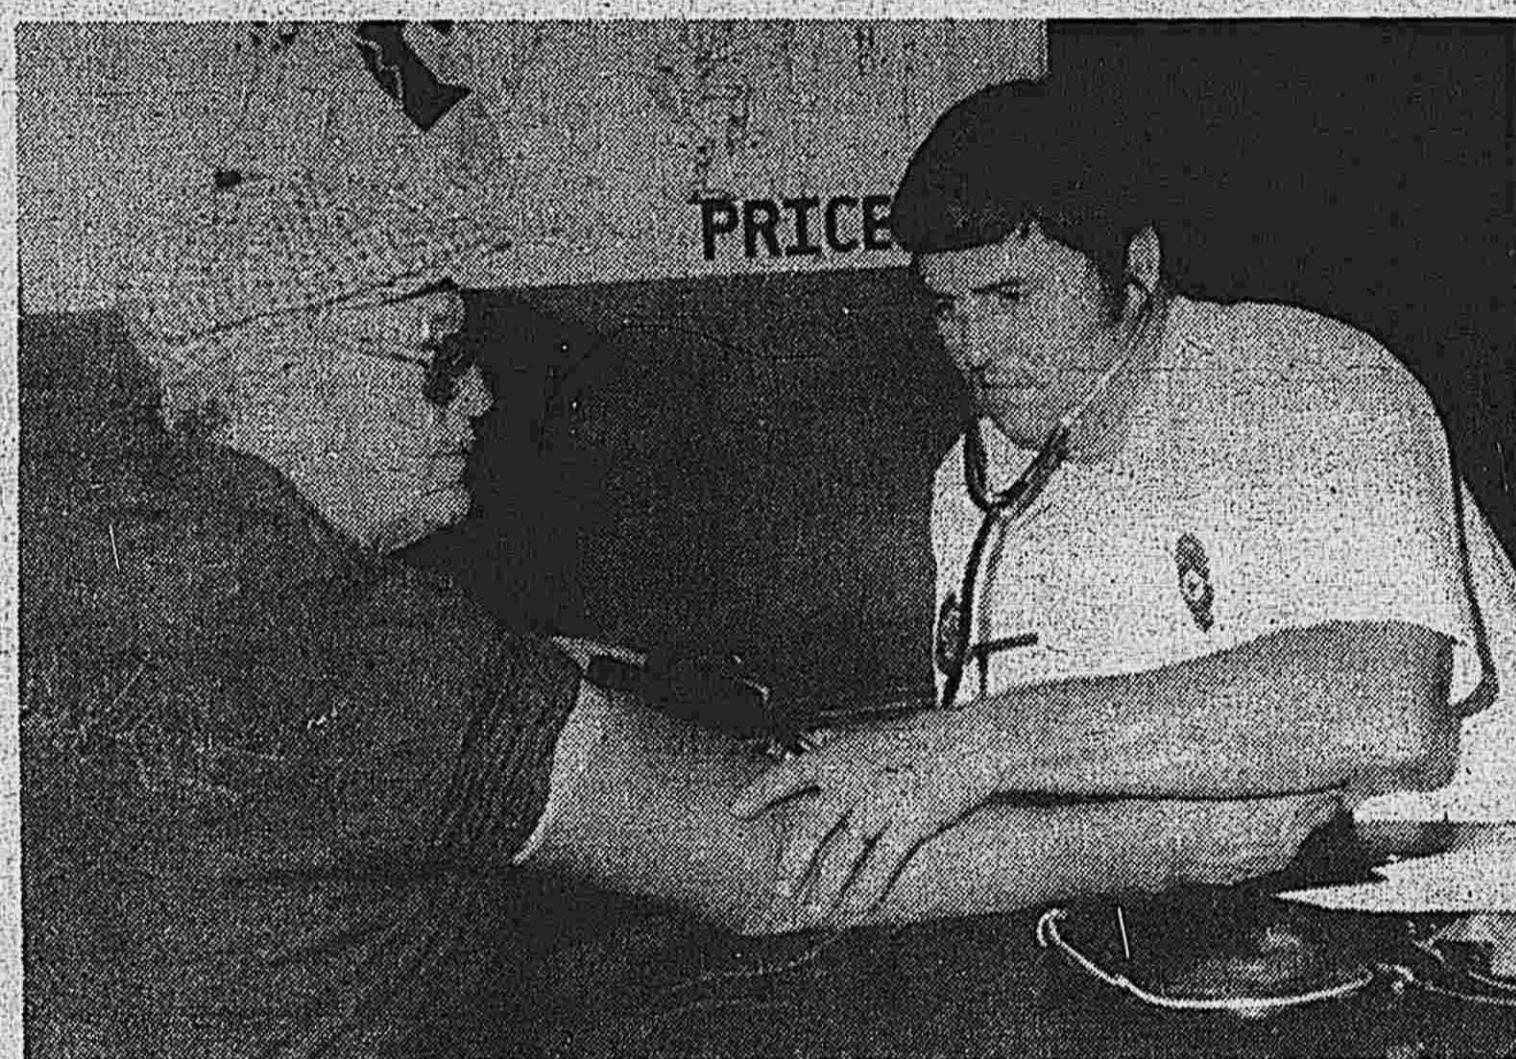

That brought complaints from the neighbors, who said there is no easy way to get out of the village from Harden St. They cited traffic problems on Main and Lake streets and Rte. 173.

ALMOST TWICE as many people receive The Antioch News in the mail than any other newspaper in the area. \$6.50 for one year, or \$10 for two years.

THE LIONS CLUB held its annual "Save Our Sight" day at Antioch High School Sunday, offering eyesight screening and other tests with the aid of Dr. Al Bucar and other optometrists. Making it a "community health day"

were members of the Antioch Rescue Squad. Above, they test for diabetes by taking blood sugars. From left: Jackie Harlow of Waukegan's Cardiac Charities, Craig Cermak, Tom Haley, Mike Culat and Wayne Sobczak.

RESCUE SQUAD MEMBER Sid Parker (right) checks the blood pressure of John Healy, a Chicago resident who has a cottage in the Antioch area.

Where Are You Now...
